- **Workshop 2: Thu 28 October @17:00 - 19:00**

***NOTE:** registration closes 24 hours prior to start of training*

**** Certificates will be issued as soon as accreditation number is confirmed***

- **WHO:** Health care workers, community health care workers and social workers.
- **WHY:** To promote ethical practices, increase awareness of what the violation of rights looks like for persons with disability and to outline participants' role as duty bearer.
- **WHAT:** Participation in this program will benefit from an increased ethical awareness in the contexts that they work in. With this raised awareness, participants will develop an understanding on what ethics entails, the difference between personal and professional ethics, legislative mandate, ethical values and standards, professionalism, rights violations, how to lodge a complaint and governmental strategies to ensure ethical service delivery.
