- **Workshop 2: Wednesday 20 October @17:00 - 19:00**

***NOTE:** registration closes 24 hours prior to start of training*

**** Certificates will be issued as soon as accreditation number is confirmed***

- **WHO:** Physiotherapists, Occupational and Speech Therapists, Teachers, ECD Practitioners as well as community health workers and parents of children with disabilities.
- **WHY:** Access to education is the right of every child in South Africa. Understanding inclusive education policies allows for individuals to advocate for children with disabilities to access education in their local communities as well as advocate for the support and accommodations that will ensure equal participation.
- **WHAT:** This program provides training on inclusive education in South Africa. It highlights the legislative mandate to ensure access to education as a Constitutional right. With increased knowledge and understanding, all role-players will be motivated and mobilized to facilitate inclusive education to enable children with disabilities to reach their full potential.
