

SSE online training 2021

THE ROLE OF ECD IN INCLUSION

**CPD accredited (HPCSA), 2 CEU TBC*
1 online session + self-study materials
R350**

DATES AVAILABLE

- **Workshop 1: Monday 16 August 2021 @17:00 - 19:00**

***NOTE:** registration closes 24 hours prior to start of training*

**** Certificates will be issued as soon as accreditation number is confirmed***

- **WHO:** Physiotherapists, Occupational and Speech Therapists, Teachers as well as community health workers and parents of children with disabilities.
- **WHY:** It is vital that children with disabilities be included from a young age in play and learning opportunities to ensure early development and to prevent exclusion. As key role-players in the early inclusion of children with disabilities, we need to understand our role in ensuring children benefit from inclusion.
- **WHAT:** Participation in this program will enable participants to understand the role of early childhood development in inclusion, it will enhance their knowledge and understanding on the importance and practice of inclusive early childhood development to increase the inclusion of children with disabilities.
